

# REFLECTION BLOG COMMENTS

Reflection blog posts are different from informational blog posts, so we are going to use a different grading scale. However, comments are still worth 15 points of your post grade. Use the checklist below to guide your comments.

	5 points
Discuss the similarities/differences you have with the author's reflection	
Ask the author a question that cannot be answered from the post	
At least 4 sentences with proper grammar, spelling, and mechanics	
Total	/15
